SHISHIR ACHARYA

STUDENT / WEB DEV.

PERSONAL PROFILE

I am an experienced content creator with a background of editing and 7+ years of photography and cinematography. Information Technology student and a web developer. Also a Dynamic and creative software developer. Eager to support the IT industries with top-notch coding skill.

EXPERIENCE

Microsoft Office

As, I Have Been Using Microsoft Office For Years. Now I Can Use Almost All Of Them And Know They Work.

EDITED ALOT OF VIDEOS / SHORT FILMS (2015 - PRESENT)

I've Edited A Lot Of Videos And Even Directed Some Short Films. I Love Cinematography And Photography. My perspective Of Looking At Something Is Quite Different From Others And I Love To Tell Stories Through Videos.

EDUCATIONAL HISTORY

KEF SECONDARY SCHOOL

SEE (GPA 3.60) | 2017/18

I Passed My Secondary Entrance Examination From KEF Secondary School. I Studied There For 2 Years (Class 9/10).

MOTHERLAND SECONDARY SCHOOL(GPA 3.40)

+2 (GPA 3.40) | 2019/20

From KinderGarten To +2 I Studied In Motherland Secondary School, Masbar-7, Pokhara. I Was From Management Stream And One Of The Hardworking Child Also.

INFORMATICS COLLEGE POKHARA

BIT | 2021 to Present

I Am Currently Studying Information Technology At Informatics College, Pokhara. And Will Graduate In 2023 Probably As One Of The Fine Developer. I'm Still Hardworking For That.
